LESSON INFORMATION

All children’s lesson programs are a Max 5 or Max 7 program which means we guarantee that there will be no more than 5 or 7 students per class. This allows our instructors to create a personalized learning environment.

FIRST TIME SKI/RIDE PACKAGES (Available for Adult & Youth age groups Ages 7+)

This package is available for first-time skiers or riders and includes lesson, rental equipment and a learning area lift ticket that provides access to the magic carpets and Snowshed lift. Those enrolled in 3+ days will have their ticket upgraded to a full mountain lift ticket on day 3 at no charge. The adult program includes a 2 hour lesson that may be taken either in the morning or afternoon. The youth aged packages (ages 7-15) is a full day program, and includes (2) 2 hour lessons and lunch. The adult program is only a half day option, which includes a 2 hour lesson that may be taken either in the morning or afternoon.

ADULT/YOUTH GROUP LESSONS (Ages 7+)

Group lesson participants are assigned to 1 of 3 different lesson levels. Prior to the start of the lesson our Snow Sports staff will assist participants in determining what level is appropriate for their current ability. Starting with the Green level for skiers or riders who have been on snow at least once up to our Black level for those that want to master a special skill or improve technique there is an appropriate level for everyone.

MINISTAR LESSONS (Ages 4-6)

This innovative program teaches children to enjoy skiing or snowboarding in a kid-friendly, fun and educational environment. Students will alternate between on snow sessions and specially designed indoor activities. All personal items should be labeled and children should come with their ski or snowboard boots on their feet if we are not providing the equipment and dressed in layers so they can un-layer for indoor times. If we are providing the equipment it will be fitted by our Snow Sports staff after the child has been checked in to the Ministar Room.
